REMCO BUILDERS, INC., COMPLETES RENOVATION PROJECTS

(BRADENTON, FL) – **REMCO Builders, Inc.** recently completed major renovations on two commercial projects, the **Church of the Nazarene** and **Bradenton Prosthetics**, both on time and on budget.

Renovations to the **Church of the Nazarene** at 2311 57th Ave. W., in Bradenton, included the addition of two handicapped bathrooms, a new serving area in the Fellowship Hall, new flooring and cabinetry, and an updated paint color scheme.

Work at **Bradenton Prosthetics**, located at 535 8th St. W., Bradenton, involved the complete conversion of a motorcycle manufacturing facility to a prosthetic and orthotics center. REMCO Builders assisted with interior and exterior product selections, constructed a reception area, three new offices, three new prosthetic rooms, a break room and work area, and replaced flooring, walls, paint, lighting and plumbing throughout the entire facility. The company also reconfigured existing ductwork.

REMCO Builders, Inc. specializes in residential and commercial construction, new construction and remodels, and demolition and/or renovations and repairs to fire-damaged properties.
